**Scorers** **MUST** be stood together, check the score regularly and call out the score so that umpires and players are aware. Scorers **MUST** be provided in Div 1 and Div 2. In Div 3 and Div 4 they are optional. If, in Div 3 and Div 4, teams choose to have scorers, there must be two (one from each team)

**Score cards** should be written clearly and neatly. Players names should be printed as well as signed and the team number should be written as well as the club name. First team on the fixture is the **HOME team**. The HOME team place their belongings in the middle of the courts and provide the match ball

**Division 1 umpiring** is as follows: Team playing 09:30 provides umpire for 11:15 game. Team playing at 11:15 provides umpire for 09.30. Division 2, 3 and 4 umpiring require the team to provide an umpire for the actual game

There is **no injury time** in BSDNL due to centralised timing. If a player needs to leave the court to receive treatment, they can return when there is a break in play. If a player is injured and you have another player free, an immediate substitution can be made

Please **record any injury** with the Leisure centre and give details to a committee member; [accident form here](#)
